Rule 18

A Teeny Tiny Bit of Selfish Retaliation

I want to help him marry the princess.

...so I want you to coach him in swordsmanship and help him win the duel.

AS THE LEADER OF THE CRUEL ICY FACTION, YOU CAN'T JUST HEARTLESSLY ABANDON A MEMBER LIKE THAT, RIGHT?

AFTER ALL, HE IS A MEMBER OF THE CRUEL ICY FACTION.

NO, YOU DO!

...and neither does you look at him.

Leave this reply up to tonight.

I am Frerith wedding you.

But I do not owe him an obligation to help him.

Conveniently beating the *Son of the God of War* to it, and giving me something decent to report to that old *gesser of a Pope*, I'll let him go free...

He and the Princess are genuinely in love with each other. Therefore, as long as he marries the Princess,

This is *Captain Holy Knight*. He was planted into the royal family as a spy by the Pope back when he was a child,

but he has no intention of ever returning to the Holy Temple...

Or else, the Pope will have no choice but to dispose of this useless spy.

...SIMPLY PUT HE DOES NOT STAND A CHANCE.

The *Son of the God of War* is considerably strong. Even I cannot say for sure if I can beat him.

Knights are not trained to engage in single combats with warriors to begin with. On top of that, Captain Holy Knight cannot utilize any Holy Knight combat styles if he is to keep his real identity a secret...

Huge

Blow

Believe me -
I am putting
every bit of my
energy to use
for the sake of
this mission...

Dead
Serious

...and
achieving
an extra
goal along
the way.

TO
STRENGTHEN
OUR
FOLLOWERS
FAITH

Captain Sun
Knight, I hope
you are aware
that right now,
your most
important
mission is...

I know, but he
doesn't really
need to win. Just
keep him alive. He
can at least stay
alive during a
dogfight with
the fleet of the
God of War.
For as long as
possible, of
course!

Transformed
from his
business like
"Captain
Judgment
Knight" to
the jet man
good friend
"Leaf".

Hehe
Hehe

I suppose
I cannot
refuse, or
I will never
hear the
end of it!

You're even
kinder than
Leaf! You'd
never chop
your best
friend into
mince-meat.

Nope,
you weren't!
Judge is
the kindest
person in
the world!

COME ON!
I WILL CHOP
YOU INTO MINCE
MEAT! NOT FOR
NO REASON
TO HELP YOU.

You'd better
start today.
You only have
two weeks
left.

Leafs
really is
my best
friend.

...you
have killed
every other
girl...

I-I
thought...

Judge
has agreed
to coach
you. Hurry
up and
say thank
you!

Hey!
Snap
out of
it, will
you?

It's a
compliment

Are you
making fun
of me?

BRAIN
FRIED...

Hooray!

Best
Friends

Smile
Smile

Stop
bullying
him

Indeed!
Let me
introduce
you. This is
my most
hated best
friend, Lesus
Judgment.

if the training goal is to survive in a dogfight, then the assistance of *Captain Cloud Knight* will be extremely helpful.

Cloud, what if he didn't join the Order?

HOWEVER...

HOWEVER... CLOUD IS TOO STEALTHY TO PIN DOWN!!!

Brother Storm, would you happen to know the location of Brother Cloud?

Where do you usually see him?

No.
No!

The conference room? The corridor?
The cupboard?

I've never really "seen" him...

Cloud is basically a ghost.

He loves hiding in dark corners, and walks around using the Special Cloud-treading Steps passed down by generations of Cloud Knights.

Exhausted...

The Cloud-treading Steps were meant to dodge physical attacks. He has perfected them to the point where he can even dodge lines of sight...

The place
where I
eventually
find him is
always...

Hang on!
That reminds
me...

BEHIND
MY
BACK...

A P P E A R . . .

Nod

Just
tap my
shoulder
next time!

Under-
stood

When you
came out of
the prayer
room,

I happened
to be in the
coldest nearby...
I called you
several times,
but you
overslept me.

What's
that?

Why
didn't
you call
me?

When
did you
start
following
me?

I wasn't hiding in the cupboard. You forbade it, so I didn't hide there. I was hiding in the "cabinet".

Wahh

Wahh

What's the difference?

Didn't I tell you it wasn't meant for hiding people? If you want to read, you can use the reading room. You're one of the Twelve Holy Knights.

You can even request a private prayer room for your exclusive use if that's what you want.

.....
Were you hiding in the cupboard again?

Neither smells good to normal people, right? And if he prefers the smell of bookworms, why did he hide in the mouldy cupboard before?

Wahh
Wahh...

That's
just a dirty
assumption

Bookworms
smell better.

The cupboard
smells of
damp
mould. The
cabinet
smells of
bookworms.

?

As long as
he's happy

Cloud may be a bit too strange, a bit too hard to find, has a voice that's too soft and deep that's too sincere.

but the best thing about him is that he does everything I say and never questions my orders.

Cloud, go
and look for the
Judgment Knight
in the prayer
room under
construction.
You'll answer to
him for now.

100

THE
WORLD'S
LONGEST
TRUCK
TRAIL

FOUR NEW JERSEY
GET INTO A BOMB
WITH THREE BATHING
FROM THE TEMPLE OF
WAR ON THE STREET.
MANY OF THEM GET
HURT BUT LUCKILY
NOBODY'S FATALY
HARMED. THEY'RE ALL
BEING TREATED IN
THE MAIN HALL.
RIGHT NOW.

ADD THOSE
BASTARDS FROM
THE TEMPLE ARE
MAKING A FUSS ABOUT
GETTING AHEAD AND
WINNING. THEY STARTED
THE FIGHT AND ACTUALLY
HAD THE NERVE TO
TALK ABOUT GETTING
AHEAD/ MONEY W/°
AND GOAT TIME
OUT, JUNK!

*How dare my
Sun Squad get into
a fight? And not just
with anyone, they just
had to pick someone
strong! Didn't I order
them not to venture
out of the Holy
Temple these days?
Apparently my order
went in one ear
and out the
other!*

I would have personally come and give you the warmest welcome in order to convey the goodness and hospitality of the God of Light! Now that you have arrived on-site with your comrades, would you like a tour around the Church of Light, ~?

If our host-team were of the blessed presence of the face of the God of War,

The
Son of the God
of War and an
entire troop of
warriors...

.....

Indeed, having listened to the lectures of the God of Light, we ought to know that one should never commit violence against warriors who have travelled from afar. The benevolence of the God of Light is the one and only proper attitude one should bear in mind when interacting with the world and everything within. Benevolence begets benevolence in return, while violence merely spawns more violence and hatred. Nobody enjoys being treated with violence. Therefore, we must always take the initiative to treat others with benevolence so as to be treated with benevolence in return...

Drop
the knife

The Sun Squad suffered more serious injuries than your warriors, and under my discipline, they would never initiate a fight with someone against whom they have so little chance of winning.

YOU KNIGHT,
YOUR MEN
BEAT UP MY
MEN, AND
YOU... YOU...

IN SHORT,
YOU HAVE
TO ANSWER
FOR THIS.

My
men
beat
up
your
men?

He's probably
taking it out on
my Sun Squad
because Elijah
and I are going
after the
Princess as
well. Ahem!

So it's
hard to say
who really
started the
fight!

Are you barbarians? If you do not wish to be courteous Holy Knights, then you shall not be treated as such. I forbid you to be healed by priests. Go to the infirmary and dress your own wounds. Then report at the detention room. You are all to be placed in confinement for a month!

How dare you treat our guests so violently? Have you forgotten you are Holy Knights serving the God of Light?

SHUT...
SHUT
UP!
JUST
TELL ME
HOW YOU'RE
GONNA
PUNISH
THEM!

That is
their
punish-
ment.

Let them
have their
wounds
treated first, Sun!
They're too badly hurt!

HA HA

HA HA HA HA!!

I LOOK
FORWARD TO
THE DUEL IN
TWO WEEKS
TIME. FOR THE
SAKE OF THE
REVENGE OF
THE GOD OF
LIGHT, I'LL GO
EASY ON
YOU.

Thank you
very much
for your
invitation.

HA HA HA

YOU USELESS
PIECES OF
CRAP. WHAT
DO I ALWAYS
SAY?

AND YET
YOU COME
BACK AND
COMPLAIN
TO ME?

DIDN'T I TELL YOU,
IF YOU HAVE TO PICK
A FIGHT, ALWAYS
CHOOSE SOMEONE AT
LEAST THREE AS WEAK
AS YOU? IF THE ODDS
OF WINNING ARE NOT
200% ON YOUR SIDE,
THEN PUT UP
WITH IT,

That means I'm
very handsome!
And since Holy
Knights have
strong defence
and regenerating
abilities as well
as a robust me-
tabolism, of
course we are the
best at taking
punches!

Exactly!
How dare they
call our Captain an
embroidered pillow
that only looks
pretty? They even
said Holy Knights
only know how to
take punches!
Such nerves!

They
couldn't
let us go,
Captain!

WELL!
YOU WERE IN
ARMED DAN-
GER. IF YOU
REALLY WANTED
TO LEAVE, THEY
COULDN'T HAVE
STOPPED
YOU!

It's not
us... we
couldn't
just go!

They were
troubling you.
If we had run
away, we'd
have proven
them right!

Even if
they killed
us, you
wouldn't
raise a hand
against
them...

They
even
said our
Captain
didn't
really care
about us

*That's
bullshit if they
dared hit you,*

Go and
report
at the
debate
room.

*I'd assure
they wouldn't be
able to move a
single finger for
the rest of their
lives!*

**Knock
knock**

Captain, if
you are putting
the Sun Squad
in confinement,
then please let
me join them.

Knock

Everything
appeared
because I
didn't supervise
them properly
as the Vice-
Captain.

All
sounds
should be
fine by
now.

Captain,
it's me,
Robin.

Adant!

Then
come
in.

Yes,
Captain,
I'm
perfectly
fine.

How dare
you disobey
my order and
leave your
bed? Have
your injuries
completely
healed?

Give
me a
hand.

You
should
have
known
that I'm
not called
the Head
of the Holy
Temple for
nothing!

*Son of
the God
of War,
there is a
price for
going
against
me.*

Great!
Then all of
you report at
the detention
room.

.....

Playing
dumb

With
what?

Buying blue-
berry pie?
Asking Frost
to make
«strawberry
dunkles»?

Yes,
sir.

Of course. I just want to strengthen the faith of our followers. I'm not trying to start a war with the Temple of War.

Then do you know what lies not to cross?

Is this for your mission or for getting revenge?

It's for my mission...

But I admit it involves a heavy dose of selfish retaliation.

Strait to the point?

Lord and members of the Judgment Squad.

May I know how exactly you are planning to strengthen the followers' faith?

NO!

If Judge knew my whole plan, he'd probably slice me into two this very moment and save the world some trouble.

I can only let you take five, in case you get too angry and go overboard. You have always dated on the Sun Squad. They were humiliated in public and seriously injured. I honestly have no faith in your self-control.

OKAY. FIVE IT IS.

If that
were the
case,

you would
have died
within a
month of
our first
encounter!

*Ugh
slowly*

You
really are
up to some
serious
business...

*Sigh/
Please
keep me in
the dark.*

I'd better
go to bed early
tonight. I do not
wish to know
what my five
squad members
will be forced
into doing and
regret my
decision to
lead them
to you.

Sigh~

Every sigh
shortens
your life
by three
seconds...

But come to
think of it, I end
up regretting
myself every
time I agree to
help you...

Every
compliance
with your
requests
shortens
my life by
three
years...

As
you
know
full
well...

Ha...

The situation is
not serious at all.
All the people
are sleeping.

It's
almost
time.

And he
didn't give
us any food -
to be really
leaving us to
rot in here!

None
of us are
really badly
hurt!

Confine us
in prison this
time. We
wouldn't even
let us have
our wounds
treated.

This is
Rider's voice.
I can always
count on my
vice-captain to
understand
me!

How do you
think we could
be forced to
leave the
prison?
We have
no choice but
to stay here!
We have
no choice but
to stay here!

As a member
of the Iron Guard,
how can you be
so ignorant of
the outside world?
If you
truly believe
that the Iron
Guard doesn't
care about us!

Remember that time he ordered us to go undercover and beat up Captain Earth Knight? He gave us special suits but forgot to arm us and we ended up being beaten up by Captain Earth Knight...

Yes, though sometimes he can be a rather batty.

HAS NOTHING TO SAY...

BUT HE ALWAYS GIVES US HELP!

but he is always giving us missions that are almost impossible...

Don't get worked up, Adeir! Of course I know the Captain cares about us,

How infuriating!!

Waaaaaah!!
I didn't forget.
I got caught by the Pope after buying some suits using the Church's funds. They used all the money got confiscated so I couldn't buy any weapons...
I thought in a twenty-on-one fight, they could at least land a punch or two. Turned out they didn't even manage to scratch Earth's protective shield before coming back and begging me to heal them...

They didn't really mean it.

...They were only grumbling, Captain.

Clatter!!!

Thud
Thud
Thud

Thud

Thud

Roll roll...

There must be a sound of every one of you. That's an order!

Only those with serious injuries can use one. Don't lose your order completely.

CAPTAIN- WE WERE WORRIED ABOUT YOU!

WE'RE SORRY, CAPTAIN!

CAPTAIN, THOSE SOLDIERS FROM THE TEMPLE OF WAR REALLY CAUSED THE LINE TROOP! WE WERE JUST SO ANNOYED - THAT'S WHY WE HUNTERED THE ALL SORTS OF ANNOYANCE. PLEASE DON'T BE ANGRY WITH US!

CAPTAIN!

Report-
ing for
duty!

Ten mem-
bers from
the Storm
Squad. Ten
members
from the
Blaze
Squad.

Just ended up tagging along, just in case.

Looking
straight at
him.

No, the
Captain
said he
would
not be
coming.

Rein,
is the
shadow
floating
behind
me the
Captain's?

No wonder
the Captain
likes you so
much...

What
will he
do if I
die?
All of a
sudden!

Ten members from the Cloud Squad. Five members from the Judgment Squad. All present.

Ten members from the Frost Squad. Ten members from the Moon Squad.

Ten members from the Leaf Squad. Ten members from the Earth Squad.

In the name of Captain Sun Knight, we are placed under the full command of Vice-Captain Adair of the Sun Squad.

Looks like we are to work in two groups - so that's why there are so many of us.

THE CAPTAIN

... I'm not too sure about that myself.

Right... Do you think Captain is asking us to teach those guys from the Temple of War a lesson, or to annihilate them?

!!!

As expected of my hand-picked Vice-Captain, I had so much foresight in choosing him!

Open

AREN'T THESE THE BRASSERIES AND STAMENHOLDS WEARING OF THE BISHA KAMADO?

...AND THE BRASSERIES OF THE BRASSERIES FROM THE TEMPLE OF WAR? WHAT ARE THESE ANY?

I finally understand why Cloud likes hiding in the cabinet so much.

With just a little Holy Light, this place is the perfect paradise (for slacking off).

Don't underestimate this book. It's very helpful!

Is it not Cloud's habit to be hiding in the cabinet?
And are you really planning to handle the upcoming duel with just this book?

If it did not come from Cloud, I would not have believed you were really hiding in here...

No further comment~

He has an affair with the Princess and gets in the way of the King's plans. It is hardly surprising that other Royal Knights would look down on him.

He seems depressed. I asked him about it and it seems like peers are giving him a hard time.

If you are finished with the book, and have lost interest in the cabinet, then please go and pay Captain Hell Knight a visit.

Didn't the
five members
from the
Judgment
Squad you
lent me tell
you what I had
them do?

I told
them not
to report
anything to
me. I do not
wish to
know.

Oh, that!
Don't
worry.
Everything
will be over
in a few
days...

...Huh?

Hang
off...

Place the
handbook of laws
the women you love
in your left breast pocket!
Once that's placed the old
regiment is your duty!

I'm so sorry!
I want to apologize
with my whole heart!

Judge has
an inkling that
the "mischief" I'm
cooking up this time
is the real deal.
That's why he has
decided to stay out
of the whole busi-
ness. Fine with
me.

That'll
save me from being
sliced into two by
him. Although, I can't
really blame him if
he does. On the con-
trary, I'd have to
apologize...

*Fantastic!
I'll remind Elijah to
put the princess's
handkerchief in his
left breast pocket!*

*He's not on
familiar terms with
Judge, so they
won't be dining
together after
his training!*

*Then he is
probably in...*

*Elijah should be, after all,
exhausted after finishing
his rigorous training
with Judge, so he is most
probably on his way
to the Royal Palace.*

It's
you.

Give the
boy a
hug...

Why would
you think
that? Have you
stopped loving
Her Highness
the Princess?

Are you
going to just
hand over
the princess
to the Son
of the God
of War?

If that's
the case,
then why do
you wish to
withdraw
from the
duel?

ABSOLUTELY
NOT!

NO!
I WILL
NEVER
STOP
LOVING
HER!

DAMN!
HE WANTS
TO BACK
OUT...

I-it's not
like I want
to, but I'm
just not a
good match
for the
Princess.

FROM THE CABINET, OUT POPS CLOUD! EH?
